My Portfolio Website –
Built with JavaScript,
HTML5, and SCSS,
showcasing UX, web,
and design projects

HELLO!

Creative and tech-driven designer carrying a skill set in UX/UI, web development, graphic design, and social media content design. Experienced in aligning designs with brand identity and company goals. I get excited about learning new skills, ideas, concepts, and finding new ways to look at life. Throughout my studies and work experience, I've aimed to be an all-around designer that can tackle any creative problem!

EXPERIENCE

Weber State University – Ogden, UT | 2020 – 2025

Graphic & Communications Intern – Engineering,
Applied Science & Technology Department

OCT 2023 – AUG 2025

- Designed and maintained responsive and accessible web pages.
- Created digital marketing graphics, email templates, and promotional assets for university campaigns.
- Developed print, apparel, and event branding materials.

Graphic Designer – Athletics

OCT 2024 – AUG 2025

- Created branded graphics, social media content, visuals, and web updates to promote university spirit squad events.
- Updated and maintained web content to ensure accuracy and visual consistency with athletic branding.

Graphic Designer & Social Media Manager – Student Affairs

AUG 2020 – MAY 2023

- Led content creation for social media campaigns, improving engagement through strategic visuals and copy.
- Produced high-volume creative assets for social platforms.
- Built cohesive visual identity across platforms to strengthen student engagement and brand presence.

Cheer Gym Marketing – Remote | 2024 – 2025

Website Designer

AUG 2024 – AUG 2025

- Designed and maintained WordPress websites with a focus on brand storytelling and user flow.
- Implemented custom integrations and optimized pages for SEO and performance.
